## Friends Newsletter – A New Look

*John Petraglia*

This issue of the Friends newsletter introduces a new style, and a new editor. **John Petraglia** moved to the Bluffton area last year from the northeast. He had been very active in [Friends of Wertheim NWR](#), and decided to continue his work with Friends in his new home.

John has agreed to take on our web site and newsletter, as well as managing our membership software. Look for some changes on the website and a more frequent and redesigned newsletter in the future.

Welcome John, and thanks for all your help!
