Savannah National Wildlife Refuge To Host Young Explorers Club

Are you the parent of a 3-4 year old who is interested in giving them the opportunity to learn more about the environment and natural resources? Well we're here to help! The Savannah National Wildlife Refuge will be hosting a monthly preschool program, Young Explorers Club, starting in August.

The programs are scheduled to be one hour long and will be held on the first Tuesday of every month beginning on August 4, 2015 at 10 a.m. The location will be at the Savannah National Wildlife Refuge Visitor Center (694 Beech Hill Lane Hardeeville, SC 29927).

Each month, a different animal or method of conservation will be highlighted. Juniors of Girl Scout Troop 30387 have designed the following monthly programs as their service project for completing the Bronze Award.

August – Spiders
September – Fish
October – Butterflies
November – Turkeys
December - Ducks
January – Bald Eagles
February – Lady Bugs
March – Plants
April – Recycle
May – Baby Birds
June – Alligators
July – Sea Turtles

The program is free, and all are welcome to join! For further information, please contact Monica Harris at (843) 784-2468.

Savannah NWR is one of over 560 national wildlife refuges located throughout the United States. The nearly 30,000-acre refuge is home to bald eagles, neo-tropical migratory songbirds, large concentrations of wading birds, wintering ducks, and American alligators.
